2008 HALO HAWKES BAY SYRAH

WINEMAKERS NOTE

Deep purple in colour. An aromatic bouquet of pepper and spice with licorice and black cherry notes. The palate is savoury with licorice flavours mingling with red and black berry fruits. This wine has fine grained tannins, and finishes with complex earthy tones and hints of truffles.

VINTAGE SUMMARY

Hawke's bay enjoyed a good summer with plenty of hot weather and relatively low levels of rainfall. This meant that in the approach to harvest fruit quality was maximized as the ripening processes began.

VITICULTURAL DETAIL

From the red metal soils of Hawke's Bay with a touch of Gimblett Gravels component to enhance the depth, this is a classic example of why the regions Syrah's are attracting so much positive attention. The aromatic, savoury and elegance of Syrah is well expressed here.
