WINEMAKERS NOTE

Tropical lifted aromas of pineapple, banana and citrus blossom. Beautifully balanced palate with great richness and intensity. This wine abounds with ripe tropical flavours mingling with citrus nuances.

VINTAGE SUMMARY

A long hot summer gave us earlier ripening and plenty of time to optimise flavours in the fruit.

VINIFICATION

Fermented long, slow and cool with an aromatic enhancing yeast. Minimally handled prior to careful bottling.

VITICULTURAL DETAIL

Low yielding vines were meticulously managed by hand to produce concentrated, intense and fully ripened fruit.
